IT ALL BEGAN *in 1886...*

A fresh-faced Walter Whittard opened his very first shop selling tea, coffee and hot chocolate on London's bustling Fleet Street. His philosophy was simple: to "buy the best".

Over 130 years later we stay true to that philosophy, scouring the globe for the finest products, and carefully crafting our own unique blends. We believe that every taste experience can be a journey in itself: when quality, choice and imagination combine, the possibilities are endless...

THE BOLDER THE BREW

Where luxury is concerned, there's no room for compromise. We're proud of the matchless quality and originality of our products, whether it's a high-grown oolong tea or an inventive flavoured hot chocolate – it's no surprise that we're always encouraging our customers to try our latest creations.

Exceptional quality deserves a guarantee, and our Taste Guarantee gives customers the confidence to explore our ever-expanding collection.
